

Welsh Griddle Cakes on Futura Nonstick Tava

Griddle

Recipe Details

Recommended Cookware: 26 cm
Cooking Time: s. Place in large bowl.

Method

1. Sift together flour, baking powder, salt and nutmeg, three times. Place in large bowl.
2. Add butter into bowl. Take a small portion of butter and flour mixture between fingertips and thumb of each hand. Raise hands about 20 cm from base of bowl. Rub butter and flour mixture between fingers and thumbs; let mixture fall into bowl. Repeat till all butter is rubbed in and mixture resembles fine bread crumbs. Add sugar and raisins. Mix with a fork. Add egg. Mix with fork. Add and mix enough milk, ½ teaspoon at a time, till mixture can be patted to form a ball. Do not knead.
3. On a floured surface, roll out dough evenly to about ½ cm thick. Cut into rounds with pastry cutter or inverted bowl or glass 7 cm in diameter. Use a blunt knife/spatula to lift rounds and place on a floured surface.
4. Gather trimmings and form a ball. Repeat step 3 till all dough is cut into rounds (about 15).
5. Heat tava on medium heat about 2 minutes for 22 cm tava/about 3 minutes for 26 cm tava.
6. Reduce heat to low. Spread butter all over tava. Quickly add 5 rounds*(for 22 cm tava click here), leaving the centre space free. Cook about 5 minutes on each side (both sides should be golden brown). Cook remaining rounds, 5* at a time, on low heat about 3 minutes on each side without adding butter. Serve hot or at room temperature accompanied with honey or jam.
