

French Toast Futura Nonstick Flat Tava 30 cm

Recipe Details

Method

1. In a bowl, beat eggs just till yolks and whites are mixed. Add milk, sugar, vanilla essence and salt. Mix.
2. Turn 1 slice bread in egg mixture leaving each side in mixture about 20 seconds. Remove with a spatula and put on a plate. Turn and remove 3 more slices in the same way.
3. Heat tava on medium heat about 4 minutes (for preheating tava other than 30 cm, see special instructions). Spread 2 tsp/10 ml butter on tava all over the area where the slices will be placed.
4. Add the 4 soaked slices. Pour egg mixture leftover on the plate back into the bowl. Fry on both sides till browned (2-3 minutes on each side). Remove. (While slices are frying turn 4 more slices in egg mixture as described in step 2 and keep aside.)
5. Spread 2 tsp/10 ml butter on tava. Fry the soaked slices in the same way as in step 4. Adjust heat to medium-low* if tava is too hot for the second batch. Serve hot with honey or jam. (* A heat setting between medium and low.)
